Nicola Rabbett Head Teacher St Joseph's states:

Ofsted quotes:

St. Joseph's is a school where pupils feel welcome and included.

Everyone follows the school's vision: ' Together with God we develop a life-long love of learning where St. Joseph's community flourishes.'

Pupils are helped to become confident and resilient.

Marie Kwaitowski Head St. Thomas of Canterbury states:

Well done to St. Thomas of Canterbury School on their recent Section 48 Diocesan inspection. Below is a sample of the things the Inspectors said:

'St. Thomas of Canterbury is an outstanding Catholic primary school.

The children are great ambassadors for the school; they joyfully offer their gifts in the service of others

School leaders embrace and support the Bishop's vision for the diocese through their work with the pupil chaplaincy team, Caritas ambassadors and eco-warriors.

The close relationship between school, parish priest and the parish community has created a strong worshipping community that comes together to celebrate and understand the church's liturgical year. it's cycle of feasts and celebration of sacraments, in particular the Sacraments of Reconciliation and Holy Communion.'

Very well done to all our Schools in their achievements and a special thank you to the Head Teachers, Teachers, all staff and the children for their hard work and dedication.
