 Contemporary Challenges through a Biblical Lens
 For details see the website

- e) Family groups (up to 6) may be seated together; parents or guardians are responsible for children; unaccompanied children will not be admitted.
- f) The Stewards will invite the congregation to go forward row by row to receive Holy Communion or a Blessing
- g) The aisles must be kept clear, so buggies and pushchairs are not allowed inside the church.
- h) Entry into other areas of the buildings is not allowed without permission of the Stewards; this applies to sacristies, toilets and offices.
- i) Ventilation: doors and windows are to be left open to increase air flow.
- j) Please do not congregate in groups inside the church; leave promptly at the end of Mass and move outside. Observe social distancing rules if choosing to chat with fellow parishioners outside church.

General
 The high level of cooperation and compliance has been greatly appreciated. Please continue to assist the Stewards by following their guidance, but do approach them for advice if need be. Likewise, our volunteer cleaners will be greatly helped if we all observe the limitations on movement.
Stay with us, Lord, on our journey.

A Message to Parishioners COVID-19 - Keeping Each Other Safe

The restrictions and controls currently in place are in line with Government and Diocesan requirements. Thank you for the cooperative way in which you have responded so far. In recent weeks the numbers attending have risen, especially at St Thomas of Canterbury, where the official limit has been reached on two occasions. Given the current situation it is advisable that everyone understands the scope of the restrictions, so the main points are re-stated below:

Church Capacity –
 St Thomas of Canterbury- 100. St Joseph –90
 If the Stewards are unable to accommodate everyone within the social distancing rules it may be necessary to refuse admission to the church.

Cleaning - There is an obligation to ensure that all areas which have been occupied or entered are properly cleaned before the next Mass. This demanding task is being undertaken by a small group of volunteer parishioners. This is why there are restrictions on access to areas outside the nave, such as the toilets.

Access, Seating, Social Distancing– Given the above requirements, the following arrangements now apply:

- a) Teams of volunteer Stewards have been appointed to ensure compliance and to offer advice.
- b) Face coverings are to be worn (with the statutorily permitted exceptions)
- c) Access to the church and allocation of seating is controlled by the Stewards
- d) Parishioners are to be guided to sit in alternate rows, starting from the front.
