And a big thank you to Ken, of course!

Thank you for your prayers and generous financial support of the Mill Hill Missionaries, working with many of the poorest and most vulnerable communities, in countries across the world, including India, where there are many additional challenges, caused by the Corona Virus Pandemic. Why not be like Eleanor and help in such a useful project. There will be plenty of fund raising events for Mary's Meals in the near future and we feel that this is a project that our young parishioners could get involved with once the virus is under control. Ask your Mum & Dad, your teacher or someone at church. Keep an eye out for our next appeal.

mary's meals
a simple solution to world hunger

Thank you so much for your generous donation of

60 backpacks and for supporting Mary's Meals. Mary's Meals normally serves nutritious meals in school to children living in 19 of the world's poorest countries, giving them the energy and opportunity to gain an education that can one day be their ladder out of poverty. Amid the Covid-19 pandemic, we are determined that our work won't stop. We are continuing to safely distribute meals to children at school where possible, or at home for those who are not yet able to return to the classroom.

Your generous donation will ensure children in Malawi can make the most of their lessons and realise their full potential. It is an incredible sight to see the faces of children beam with joy when they receive the backpacks. For many, it will be the first gift they will have received and items such as pens, books and basic clothing become their most treasured possessions in the world. Jack Chilenje, who volunteers at Chimbaluka School in Malawi, says: "Just the porridge alone gives us hope as many of us are finding it very difficult to provide food for our children. These backpacks are really telling us all in this community not to lose that hope." Together, we are bringing the hope of a brighter future to so many children. I thank you, with all my heart, on behalf of the children who eat Mary's Meals.
