### Online Retreat for Married Couples

The organisers of the online prayer resource **Pray As You Go**, in partnership with the Westminster Diocese's Marriage and Family Life Team, offer an Audio Retreat for

Married Couples.

It uses as its base ingredients scripture, the Ignatian tradition and other Christian insights to provide a simple recipe, which you can then enjoy blending together to make a tasty, exciting and balanced meal to feed your marriage. ## HOPE IN THE FUTURE

### Pandemic Survey

As we discern the way forward on our Diocesan Hope in the Future journey during these challenging times, we wanted to hear how parish priests and parish teams have found the past 15 months. This will help with our planning and help determine how we can best support your parish.

Please take some time to complete this survey by Friday 25th June 2021, it should only take a few minutes and can be completed via the link found on the parish website

If you have any questions, please email [hope@dioceseofsalford.org.uk](mailto:hope@dioceseofsalford.org.uk)

### The service of grandparents for the transmission of the faith.

It is the grandparents who carry out a special role in the transmission of the faith to the young. Grandparents are often more deeply rooted in the Christian faith and have a past rich with experience. Their contribution is important on account of the greater amount of time they are able to dedicate and their capacity to encourage younger generations with their characteristic affection. The prayer of petition and song of praise from grandparents sustains the community in the work and struggles of life.

Pope Francis has announced a special day of Celebration for Grand Parents and the Elderly, on July 25th. Our parish & schools will hopefully

mark the occasion with a special card.
