Miles that Matter

Fr. Chris is taking part in this Caritas event for the Refugees who have fled war and conflict and seek a new life on these shores. Please donate by clicking on the link you will find on the parish Facebook page or the Parish website. Once you donate, they'll send your money directly to Caritas Diocese of Salford, so it's the most efficient way to give - saving time and cutting costs for the charity. Alternatively, put our donation in an envelope if it is easier than going online. Don't forget he is doing a Marathon on July 25th. Please support him in this too.

Updating the Holy Communion and Eucharistic Ministers List

In anticipation of home visits resuming, we are in the process of updating the Holy Communion and Eucharistic Ministers Lists. If you are already on the Holy Communion list, could you please call or email the Parish Office to confirm if you would like to remain on it? If you are not already on the list but would like to be included or if you know someone in the Parish who would like to be included, could you please email or call the Parish Office to let us know? We will need name, address and contact number. Finally, if you are an existing Eucharistic Minister, could you please phone or email the Parish Office to confirm whether you are still able to assist and the name of the person(s) to whom you usually take Communion?

Please remember in your prayers.....

All in your families & those of our parishioners who are sick

Remember all those who have died recently....

All those with Anniversaries at this time ...

Ask your MP to vote against abortion up to birth

The abortion lobby, led by the UK's largest abortion provider, BPAS, has worked with Diana Johnson MP to bring forward an amendment to hijack the Police, Crime, Sentencing and Courts Bill to introduce abortion on demand, for any reason, up to birth to England and Wales.

This would be the single biggest change to abortion legislation since 1967 and would leave England and Wales with one of the most extreme abortion laws in the world. We are expecting that this radical proposal will be voted on by MPs this Monday.

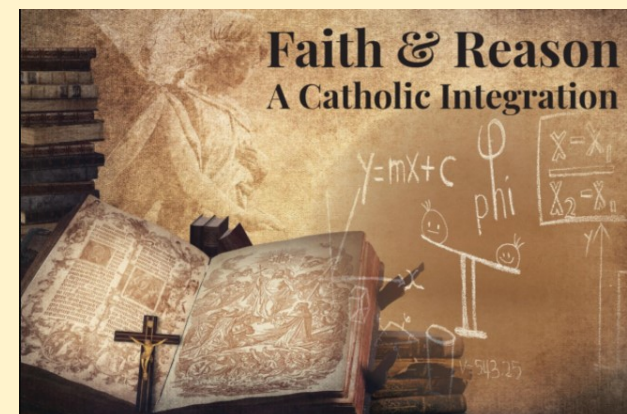

Right To Life UK has launched an easy-to-use tool that makes it simple for you to send an email to your MP asking them to vote against the motion. Please use the link below to contact your MP now. It only takes 30 seconds!

The 3-day course Thursday 5th to Sunday 8th August. will be led by two excellent and experienced lecturers and tutors, who have taught at the Maryvale Institute for many years and worked with many dioceses and seminaries around the UK and abroad.

The course will offer lectures and discussion around common themes related to the rationality of the Catholic Faith, dealing with many frequently-asked questions, for example around the relationship of faith and science. We are offering residential options as well as non-residential, for those more local and wishing to drive in daily.

The course will go ahead assuming the lifting of Covid restrictions in July. Any bookings will be fully refunded in the event of an inevitable cancellation.

WE WELCOME THE SPIRITAN FATHERS

WHILST Fr Chris is on his break

I'm sure many of you are familiar with the Parish Facebook page. Well, here is something you may not know or be aware of.

Hear Again, the music from the different Masses or the music from Pentecost or the Feast of SS Peter & Paul. Perhaps, there was a piece you liked? Liz & Lucy who organise the music and hymn sheets for each service, have in collaboration with Sarah, (who runs the parish Facebook page,) placed a music link to SPOTIFY a music app, (you have to set up a free account) Here you can listen again to those special pieces. In fact, you can even start your own collection of music of all the songs you like from this collection using this app. Follow the Facebook link on the

parish website. Discover new sources of music this way.
