Updating the Holy Communion & Eucharistic Ministers List

In anticipation of home visits resuming, we are in the process of updating the Holy Communion & Eucharistic Ministers Lists.

If you are already on the Holy Communion list, and you have not already done so, could you please call or email the Parish Office to confirm if you would like to remain on it?

If you are not already on the list but would like to be included and have not already notified us, or if you know someone in the Parish who would like to be included, could you please email or call the parish office to let us know? We will need name, address & contact number.

Finally, if you are an existing Eucharistic Minister, and have not already contacted us, could you please phone or email the Parish Office to confirm whether you are still able to assist and the name of the person (s) to whom you usually take Communion?

Urgent Caritas Appeal: Help for those seeking sanctuary from Afghanistan

As the principal domestic social action agency of the Diocese, Caritas Salford are playing a very active role in supporting Afghan nationals who have been evacuated to our diocese.

In addition to our existing commitments to refugees and asylum seekers, we are working closely with Greater Manchester Combined Authority who have been supporting arrivals to Manchester Airport and arranging temporary accommodation. Our support is focused on exactly what is needed to make the most difference. Currently that is providing emergency essentials.

What can you and your parish do now to help Afghan refugees?

Pray

While the work of humanitarian organisations and efforts to welcome refugees is a sign of great hope, we urge you and your community to pray for the people of Afghanistan, confident in the knowledge that the Lord Jesus Christ will not abandon them. We also ask that you remember those involved in supporting the evacuation and charity workers in danger in that country and those refugees and asylum seekers already in the UK.

Give

The rapid evacuation from Afghanistan has meant leaving everything behind. Your parish can support evacuees by making a donation or supporting our fundraising for the Afghanistan Refugee Crisis Fund. Funds raised will be used to buy particular basic essentials for those arriving with nothing.

To donate or find out more, contact our fundraising team by telephoning 0161-817 2250.

We are also seeking practical support and are continually

updating the list of items that are needed. Personal hygiene products and items for children are particularly needed. The list, together with details of our current donation collection points, can be found on the webpage.

Is there somewhere safe, Covid safe and secure in your parish where items donated by parishioners and the wider local community can be received, sorted and stored to await either collection or delivery? If so, please let us know by emailing info@caritassalford.org.uk

Act

It is essential that elected officials and executive officers act to protect and promote human dignity. Legislation currently going through parliament undermines this. You can write to your MP using a template provided on the website.
Please pick up a leaflet at the back of the church for more details

Winter Hill Mass Trespass Walk

On Sunday Sept 5th to mark the 125th anniversary of the Winter Hill Mass Trespass walk, there will be various celebration events, including a repeat of the walk starting from Halliwell, speakers including Machine Peake and stalls and activities at Smithills hall. This event was significant in the history of ensuring equal access to all to enjoy the wonders of God's creation by freedom to roam in our local areas – it was the biggest rights of way dispute in the country – and it would be great if Parishioners were able to participate. There was a recent great article in the Big Issue which described the event and its significance Winter Hill: Britain's biggest mass trespass - Big Issue North. More details can be found on posters at the back of Church and visit Facebook Winter Hill 125 for full itinerary.
