If so, the church is looking for volunteers to join the drivers' Rota. You can still help if you are not available every weekend. The more volunteers we have, the less you have to do!

Receiving Holy Communion under both kinds:

this weekend we will be returning to distributing Holy Communion as we have done in the past. This gives people the opportunity to receive the precious blood of Christ from the chalice as well as the body of Christ in the host. If you are receiving the host, the body of Christ, in the hand please make sure that you consume the host in front of the minister of the Eucharist. Following diocesan guidelines in tincture, dipping the host in the precious blood, is not an option for health reasons. If you choose not to receive from the chalice please be reverential as you walk past the minister who is distributing the chalice. Thank you to all our Eucharistic ministers for helping and I am sure we will be familiar again with this and the return will be a smooth one. God bless, Fr Chris
