Folk night

A huge thank you to everyone who supported the folk night in any way, especially by coming on the night.

We raised £1007 for Alain Kimolo's education charity. This year we are supporting 3 children -

Tantibe, Miryam, and Olivera - who would otherwise not be able to attend school.

Alain says 'I can't believe it. Really great! Once more congratulations. Please convey my thanks to everyone. I'm so grateful. Thank you.'

Laudato Si (CJM Music)

If the earth had a voice, what would it say? Overworked and mistreated day after day, it's our common home, our common home.

She'd say, 'All is connected, all living things, every work of creation, we're made to sing in harmony, in harmony.

Every action makes a difference, every voice has a mission, oh we can hear the cry of mother earth.

Chorus: *I see beauty all around me, the earth is a treasure to behold. The mountains and valleys, the rivers and seas are telling the story of your love for me, praise be to you, Laudato Si.*

We have a duty to our mother earth, she's not ours to use, we're called to serve with dignity, with dignity.

Every action makes a difference, every voice has a mission, oh we can hear the cry of mother earth.

Chorus

Your creation sings your name, your creation gives you praise. Your creation sings your name, your creation gives you praise.

Chorus

Fr Chris has sent through a link to a finely crafted video made for Shalom World.

This is Mark's testimony of how Gods Mercy worked in his life and a message of hope for everyone of us.

Mark a (neighbouring parishioner) asks for this to be shared, because real life stories save souls ... this is his mission
